Phone: 215-633-0604

email: [ttuu@comcast.net](mailto:ttuu@comcast.net)

**Mailing Address:**

Rittenhouse Astronomical Society, Feasterville PA, 19053

CBSAP ~ The program brings observatory quality narrowband solar telescopes and cameras to schools, museums, libraries and community organizations to teach students and adults about the Sun, our closet star. Hopefully, as students and adults see solar activity in the Sun's photosphere and chromosphere, it may spark or reinforce an interest in the sciences

Linda and Rodger Kennedy

Upcoming Events:

**May 14<sup>th</sup>:** Public Star Watch ~ West Jersey Astronomy Club at Batsto Historic Village, NJ

**June 8<sup>th</sup>:** Monthly Meeting ~ Annual Open House

**June 12<sup>th</sup>:** Morris Arboretum Solstice Steam Punk Expo
